

Dear Valued Customer,

We are really thankful to you for your continued support to Misumi India.

We are very pleased to announce the launching of Misumi India's Web ordering System (<http://www.misumi-ec.com/in/>)

By using WOS, other than the traditional method of ordering by Fax or Mail, you can generate quotations & order online at your convenience. Additionally, you will be able to:

- 1) Check the pricing & delivery time
- 2) Get a quotation, real time
- 3) Place an Order for your selected products
- 4) Separate user wise order placing authority

To start using the WOS you are requested to complete the attached form along with your company stamp. If you need more than one account you can input the details in the list given in the form and mail it to sales@misumi.co.in or fax it to 020-6647-0050. Once your account is activated you will receive a notification, post which you can start accessing the Web Ordering System.

Looking forward to a favorable reply from you.

Thanking you in advance.

Hiroshi Nitta
Managing Director
